OLD BUSINESS:

NEW BUSINESS

SELECTION OF AUDIT FIRM FOR THE FISCAL YEAR ENDING JUNE 30, 2011

Mayor Brundige explained – we have requests from two audit firms to conduct the city audit for the fiscal year ending June 30, 2011. Do I have a motion to appoint an audit firm for the year ending June 30, 2011?

Alderman Tuck made the motion to appoint the audit firm of Cowart, Reese and Sargent, CPAs to conduct the City of Martin fiscal year audit ending June 30, 2011, seconded by Alderman Harrison.

Alderman Nanney stated – I think when the three year cycle is completed we need to put this service out for bids.

Mayor Brundige stated – this service is on a year to year basis in a three year cycle. In other words we renew this contract every year.

Alderman Belote spoke – a few years back we developed a system alternating between the firms and spreading the city resources allotted for audit services. This has been a good plan but there is another side to that. In order for us to be good stewards with the funds allocated we might

consider using a bid system. I am not advocating either one. I am just making a case for both and I am completely satisfied with the reports we have been getting for these several years but there is a case to be made to bid these services out. I think we have probably given the impression we were not and we need to honor that. There is a case to be made for bidding this out and getting the best possible price along with the best possible service for our citizens.

Mayor Brundige asked - are there any questions or discussion?

Alderman Belote asked – when we vote exactly what happens.

Mayor Brundige explained - we approve a new one-year contract in the spring because the city has to send a new contract to the comptroller's office each year. The City now has a gentleman's agreement with the two audit firms that this will be a three year cycle. Are there any other questions? If not, I will ask for a voice vote as we have a motion to hire Cowart, Reese and Sargent, CPAs to conduct the yearly audit for the fiscal year ending June 30, 2011.

WHEREAS, the Municipality is authorized by the provisions of Title 9, Chapter 21, Tennessee Code Annotated, as amended, to issue such notes for said purposes upon the approval of the Director of the Office of State and Local Finance:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE CITY OF MARTIN, TENNESSEE, AS FOLLOWS:

Section 1. Authority. The Notes herein authorized shall be issued pursuant to Title 9, Chapter 21, Tennessee Code Annotated, as amended, and other applicable provisions of law.

Section 2. Authorization. For the purpose of providing funds to finance the costs of the Project there shall be issued pursuant to, and in accordance with, the provisions of Title 9, Chapter 21, Tennessee Code Annotated, as amended, and other applicable provisions of law, the interest bearing capital outlay notes of the Municipality, in the aggregate principal amount of not to exceed \$350,000, or such lesser amount as may be determined by the Mayor of the Municipality (the "Mayor") at the time of sale (collectively, the "Notes", individually, the "Note"). The term of the Notes shall not exceed the reasonably expected economic life of the Project which is hereby certified to exceed the term of the Notes.

Section 3. Terms of the Notes. The Notes shall be designated "General Obligation Capital Outlay Notes, Series 2011". The Notes shall be issued in registered form, without coupons, in minimum denominations of \$5,000. The Notes shall be numbered from 1 upwards, shall be dated the date of issuance and delivery, shall be sold at not less than the par amount thereof, shall bear interest at a rate or rates not to exceed 5% per annum, such interest being payable at such times as agreed upon with the purchaser of such Notes, but in no event less than semiannually each year commencing six months from the dated date or such date as shall be designated by the Mayor (the "Interest Payment Date"), and shall mature not later than the end of the twelfth fiscal year following the fiscal year in which the notes are issued. Each year the Notes are outstanding the Municipality shall retire principal on the Notes in an amount that is estimated to be at least equal to an amortization which reflects level debt service on the Notes. The Notes shall contain such terms, conditions, and provisions other than as expressly provided

or limited herein as may be agreed upon by the Mayor of the Municipality and the purchaser of the Notes.

Interest on the Notes shall be payable by wire transfer, electronic means, or by check or other form of draft of the "Note Registrar," as such term is hereinafter defined, deposited by the Note Registrar in the United States mail, first class postage prepaid, in sealed envelopes, addressed to the owners of such Notes, as of the applicable Interest Payment Date, at their respective addresses as shown on the registration books of the Municipality maintained by the Note Registrar as of the close of business fifteen (15) calendar days preceding the next Interest Payment Date. The principal of all Notes shall be payable upon presentation and surrender of such Notes at the principal office of the Note Registrar. All payments of the principal of and interest on the Notes shall be made in any coin or currency of the United States of America which, on the date of payment thereof, shall be legal tender for the payment of public and private debts.

Section 4. Redemption. The Notes shall have such redemption provisions as may be determined at the time of the sale of the Notes by the Mayor and the purchaser of the Notes; provided, however, that no redemption premium shall be great than 1%.

Section 5. Execution. The Notes shall be executed in the name of the Municipality; shall bear the manual signature of the Mayor; shall be countersigned by the City Recorder of the Municipality (the "City Recorder") with his or her manual signature; and, shall have printed or impressed thereon the official seal of the Municipality. In the event any officer whose signature appears on the Notes shall cease to be such officer, such signature shall nevertheless be valid and sufficient for all purposes. The Notes shall be issued in typed, printed, or photocopied form, or any combination thereof, substantially in the form attached hereto as Exhibit "A", with such minor changes therein or such variations thereof as the Mayor may deem necessary or desirable, the blanks to be appropriately completed by the Mayor prior to the issuance of the Notes.

Section 6. Registration, Negotiability, and Payment. (a) The City Recorder of the Municipality is hereby appointed the note registrar and paying agent (the "Note Registrar"), and as such shall establish and maintain suitable books (the "Registration Books") for recording the registration, conversion, and payment of the Notes, and shall also perform such other duties as may be required in connection with any of the foregoing. The Note Registrar is hereby authorized to authenticate and deliver the Notes to the original purchaser thereof, or as he or she may designate, upon receipt by the Municipality of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Notes to be transferred in proper form with proper documentation as herein described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of the Note Registrar on the certificate set forth in Exhibit "A" hereto. The Notes shall be fully registered as to both principal and interest and shall be fully negotiable upon proper endorsement by the registered owner thereof. No transfer of any Notes shall be valid unless such transfer is noted upon the Registration Books and until such Note is surrendered, cancelled, and exchanged for a new Note which shall be issued to the transferee, subject to all the conditions contained herein.

(b) The Municipality may from time to time at its discretion remove the Note Registrar and appoint a successor Note Registrar to whom all records, documents, and instruments relating to its duties as Note Registrar shall be delivered. Any successor Note Registrar shall be appointed by resolution of the Municipality, and shall be a trust company or bank having the powers of a trust company, having, at the time of such appointment, a combined capital, surplus, and undivided profits aggregating at least Ten Million Dollars (\$10,000,000), and be willing and able to accept the office of Note Registrar on reasonable and customary terms, and authorized by law to perform all duties imposed upon it by this Resolution.

(c) In the event that any amount payable on any Note as interest shall at any time exceed the rate of interest lawfully chargeable thereon under applicable law, then any such excess shall, to the extent of such excess, be applied against the principal of such Note as a prepayment thereof without penalty, and such excess shall not be considered to be interest. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each.

Section 7. Transfer of Notes. Each Note shall be transferable only on the registration books maintained by the Note Registrar at the principal office of the Note Registrar, upon the surrender for cancellation thereof at the principal office of the Note Registrar, together with an assignment of such Note duly executed by the owner thereof or his, her or its attorney or legal representative, and upon payment of the charges hereinafter provided, and subject to such other limitations and conditions as may be provided therein or herein. Upon the cancellation of any such Note, the Note Registrar shall, in exchange for the surrendered Note or Notes, deliver in the name of the transferee or transferees a new Note or Notes of authorized denominations, of the same aggregate principal amount, maturity, and rate of interest as such surrendered Note or Notes, and the transferee or transferees shall take such new Note or Notes subject to all of the conditions herein contained.

Section 8. Regulations with Respect to Transfers. In all cases in which the privilege of transferring Notes is exercised, the Municipality shall execute, and the Note Registrar shall deliver, Notes in accordance with the provisions of this Resolution. For every transfer of Notes, whether temporary or definitive, the Municipality and the Note Registrar may make a charge, unless otherwise herein to the contrary expressly provided, sufficient to pay for any tax, fee, or other governmental charge required to be paid with respect to such transfer, all of which taxes, fees, and other governmental charges shall be paid to the Municipality by the person or entity requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. Neither the Municipality nor the Note Registrar shall be obligated to transfer any Note during the fifteen (15) calendar days next preceding the maturity date of the Notes or any call for redemption.

Section 9. Mutilated, Lost, Stolen, or Destroyed Notes. In the event any Note issued hereunder shall become mutilated, or be lost, stolen, or destroyed, such note shall, at the written request of the registered owner, be cancelled on the Registration Books and a new Note shall be authenticated and delivered, corresponding in all aspects but number to the mutilated, lost, stolen, or destroyed Note. Thereafter, should such mutilated, lost, stolen, or destroyed Note or Notes come into possession of the registered owner, such Notes shall be returned to the Note Registrar for destruction by the Note Registrar. If the principal on said mutilated, lost, stolen, or

destroyed Note shall be due within fifteen (15) calendar days of receipt of the written request of the registered owner for authentication and delivery of a new Note, payment therefor shall be made as scheduled in lieu of issuing a new Note. In every case the registered owner shall certify in writing as to the destruction, theft, or loss of such Note, and shall provide indemnification satisfactory to the Municipality and to the Note Registrar, if required by the Municipality and the Note Registrar.

Any notice to the contrary notwithstanding, the Municipality and all of the officials, employees, and agents thereof, including the Note Registrar, may deem and treat the registered owners of the Notes as the absolute owners thereof for all purposes, including, but not limited to, payment of the principal thereof, and the interest thereon, regardless of whether such payment shall then be overdue.

Section 10. Authentication. Only such of the Notes as shall have endorsed thereon a certificate of authentication, substantially in the form set forth in Exhibit "A" hereto duly executed by the Note Registrar shall be entitled to the rights, benefits, and security of this Resolution. No Note shall be valid or obligatory for any purpose unless, and until, such certificate of authentication shall have been duly executed by the Note Registrar. Such executed certificate of authentication by the Note Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under the Resolution as of the date of authentication.

Section 11. Source of Payment and Security. The Notes, as to both principal and interest, shall be payable from funds of the Municipality legally available therefor and to the extent necessary from ad valorem taxes to be levied on all taxable property within the corporate limits of the Municipality without limitation as to time, rate, or amount. Said Notes shall be a direct general obligation of the Municipality, for which the punctual payment of the principal of and interest on the Notes, the full faith and credit of the Municipality is irrevocably pledged.

Section 12. Levy of Taxes. For the purpose of providing for the payment of the principal of and interest on the Notes, to the extent required, there shall be levied in each year in which such Notes shall be outstanding a direct tax on all taxable property in the Municipality, fully sufficient to pay all such principal and interest falling due prior to the time of collection of the next succeeding tax levy. Said tax shall be assessed, collected, and paid at the time, and in the same manner, as the other taxes of said Municipality, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay said principal of and interest on the Notes maturing in said year. Principal or interest falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from the general fund or other available funds of the Municipality, but reimbursement therefor may be made from the taxes herein provided when the same shall have been collected. Such taxes levied and collected therefor shall be deposited in the general debt service fund of the Municipality (the "Note Fund"), which is hereby authorized to be created, and used solely for the payment of principal of and interest on the Notes as the same shall become due.

Section 13. Approval of Director of Office of State and Local Finance. Anything herein contained to the contrary notwithstanding, no Notes authorized under this Resolution shall be issued, sold, or delivered, unless and until such Notes shall first have been duly approved by the Director of the Office of State and Local Finance as provided by Section 9-21-601 et. seq., Tennessee Code Annotated, as amended. The Mayor, City Recorder, City Attorney, and Bond Counsel are hereby authorized to take or cause to be taken such steps as are necessary to obtain such approval. After the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the Municipality shall submit its annual budget to the Director of the Office of State and Local Finance for approval immediately upon the Municipality's adoption of the budget.

Section 14. Sale of Notes. The Notes herein authorized are authorized to be sold by the Mayor by the informal bid process at a price of not less than par and accrued interest.

Section 15. Disposition of Note Proceeds. The proceeds from the sale of the Notes shall be paid to the official of the Municipality designated by law as the custodian of the funds thereof to be deposited in a special fund known as the "General Obligation Capital Outlay Notes, Series 2011 Project Fund" (the "Project Fund"), which is hereby authorized to be created, to be kept separate and apart from all other funds of the Municipality. The monies in the Project Fund shall be disbursed solely to finance the Project and to pay the costs of issuance of the Notes. Monies in the Project Fund may be invested and shall be secured in the manner prescribed by applicable statutes relative to the investment and securing of public or trust funds. Any monies remaining in the Project Fund after completion of the Project shall be transferred to the Note Fund.

Section 16. Non-Arbitrage Certification. The Municipality certifies and covenants with the owners of the Notes that so long as the principal of any Note remains unpaid, monies on deposit in any fund or account in connection with the Notes, whether or not such monies were derived from the proceeds of the sale of the Notes or from any other source, will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented, or revised. The Municipality reserves the right, however, to make any investment of such monies permitted by Tennessee law and this Resolution if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation, or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Notes subject to inclusion in gross income of the owners thereof for federal income tax purposes.

The Municipality covenants that it shall comply with Section 148(f) of the Code, unless legally exempted therefrom and it represents that in the event it shall be required by Section 148(f) of the Code to pay "Rebatable Arbitrage," as defined in the regulations promulgated under the Code, to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming subject to inclusion in federal gross income of the owners of the Notes for purposes of federal income taxation.

Section 17. Designation of Notes as Qualified Tax-Exempt Obligations. The Municipality hereby designates the Notes as "qualified tax-exempt obligations" within the meaning and for the purpose of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Section 18. Reimbursement Provisions. The Municipality is in the process of causing certain capital expenditures to be made with respect to the Project, including, but not necessarily limited to, planning, design, and architectural expenses, and the Municipality desires to establish its official intent that certain of the expenditures related to the Project and certain other related expenditures be reimbursed from the proceeds of the Notes. Therefore, the Board of the Municipality finds and determines, as follows:

(a) that it is in the best interest of the Municipality to proceed immediately with the Project, thereby incurring certain capital expenditures;

(b) that the Municipality has certain funds available which may be used temporarily for this purpose, pending the issuance of the Notes;

(c) that pursuant to the provisions of this Resolution, the Board anticipates that the Municipality will issue the Notes for the purpose of financing the Project;

(d) that the Board reasonably expects to reimburse such amounts to such fund or source from which such expenditures may be made on a temporary basis as soon as proceeds from the issuance of such Notes are available; and,

(e) that this declaration of official intent is consistent with the budgetary and financial circumstances of the Municipality.

The Board of the Municipality by this Resolution hereby establishes its official intent to issue the Notes to finance the costs of the Project and other related expenditures in an amount not to exceed \$350,000. Pending the issuance of such Notes, funds necessary to finance such costs shall be advanced from such source of funds on hand and available for such purpose, and any amounts so advanced shall be reimbursed from the proceeds of the Notes.

Section 19. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owners of the Notes, and after the issuance of the Notes, no change, variation, or alteration of any kind in the provisions of this Resolution shall be made in any manner, until such time as all installments of the principal of and interest on the Notes shall have been paid in full or the consent of the registered owners of the Notes has been obtained; provided, however, that the Municipality is hereby authorized to make such amendments to this Resolution as will not impair the rights or security of the owners of the Notes

Section 20. No Action to be Taken Affecting Validity of the Notes. The Municipality hereby covenants and agrees that it will not take any action, that would in any manner affect the validity of the Notes or limit the rights and remedies of the owners from time to time of such Notes. The Municipality further covenants that it will not take any action that will cause the interest on the Notes to be subject to inclusion in gross income of the owners thereof for purposes of federal income taxation.

Section 21. Miscellaneous Acts. The Mayor, the City Recorder, and all other appropriate officials of the Municipality are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications, specifically including but not limited to, making arbitrage certifications and executing a note purchase agreement in connection with the purchase of the Notes, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution; or any of the documents herein authorized and approved; or for the authorization, issuance, and delivery of the Notes.

Section 22. Failure to Present Notes. Subject to the provisions of Section 3 hereof, in the event any Note shall not be presented for payment when the principal becomes due at maturity and in the event monies sufficient to pay such Note shall be held by the Note Registrar for the benefit of the owner thereof, all liability of the Municipality to such owner for the payment of such Note shall forthwith cease, terminate, and be completely discharged. Thereupon, the Note Registrar shall hold such monies, without liability for interest thereon, for the benefit of the owner of such Note who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Note, subject to escheat or other similar law, and any applicable statute of limitation.

Section 23. Payments Due on Saturdays, Sundays, and Holidays. Whenever the interest on or principal of any Note is due on a Saturday or Sunday or, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then the payment of the interest on, or the principal of, such Note need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the date of maturity; and no interest shall accrue for the period after such date.

Section 24. No Recourse Under Resolution or on Notes. All stipulations, promises, agreements, and obligations of the Municipality contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the Municipality and not of any officer, director, or employee of the Municipality in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claim based thereon or under this Resolution against any officer, director, or employee of the Municipality or against any official or individual executing the Notes.

Section 25. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions hereof.

Section 26. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect as of the date of its adoption the welfare of the Municipality requiring it.

Approved and adopted this 10th day of January, 2011.

The Municipality and the Note Registrar may deem and treat the person or entity in whose name this note is registered as the absolute owner hereof, whether such note shall be overdue or not, for the purpose of making payment of the principal of and interest on this note and for all other purposes. All such payments so made shall be valid and effectual to satisfy and discharge the liability upon this note to the extent of the sum or sums so paid, and neither the Municipality nor the Note Registrar shall be affected by any notice to the contrary.

The Notes are issuable only as fully registered Notes, without coupons, in minimum denominations of \$5,000. At the office of the Note Registrar, in the manner and subject to the limitations, conditions, and charges provided in the Resolution, fully registered Notes may be exchanged for an equal aggregate principal amount of fully registered Notes of the same maturity, of authorized denominations, and bearing interest at the same rate.

The term of the Notes shall not exceed the reasonably expected economic life of the Project which is hereby certified to exceed the term of the Notes.

Section 3. Terms of the Notes. The Notes shall be designated "General Purpose Capital Outlay Notes, Series 2011A". The Notes shall be numbered from 1 upwards, shall be dated the date of issuance and delivery, shall be sold at not less than the par amount thereof, shall bear interest at a rate or rates not to exceed 5% per annum, such interest being payable at such times as agreed upon with the purchaser of such Notes, but in no event less than semiannually each year commencing six months from the dated date or such date as shall be designated by the Mayor (the "Interest Payment Date"), and shall mature not later than the end of the twelfth fiscal year following the fiscal year in which the notes are issued. Each year the Notes are outstanding the Municipality shall retire principal on the Notes in an amount that is estimated to be at least equal to an amortization which reflects level debt service on the Notes. The Notes shall contain such terms, conditions, and provisions other than as expressly provided or limited herein as may be agreed upon by the Mayor of the Municipality and the purchaser of the Notes.

Interest on the Notes shall be payable by wire transfer, electronic means, or by check or other form of draft of the "Note Registrar," as such term is hereinafter defined, deposited by the Note Registrar in the United States mail, first class postage prepaid, in sealed envelopes, addressed to the owners of such Notes, as of the applicable Interest Payment Date, at their respective addresses as shown on the registration books of the Municipality maintained by the Note Registrar as of the close of business fifteen (15) calendar days preceding the next Interest Payment Date. The Notes shall be issued in typed, printed, or photocopied form, or any combination thereof, substantially in the form attached hereto as Exhibit "A", with such minor changes therein or such variations thereof as the Mayor may deem necessary or desirable, the blanks to be appropriately completed by the Mayor prior to the issuance of the Notes.

Section 6. Registration, Negotiability, and Payment. (a) The City Recorder of the Municipality is hereby appointed the note registrar and paying agent (the "Note Registrar"), and as such shall establish and maintain suitable books (the "Registration Books") for recording the registration, conversion, and payment of the Notes, and shall also perform such other duties as may be required in connection with any of the foregoing. The Note Registrar is hereby authorized to authenticate and deliver the Notes to the original purchaser thereof, or as he or she may designate, upon receipt by the Municipality of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Notes to be transferred in proper form with proper documentation as herein described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of the Note Registrar on the certificate set forth in Exhibit "A" hereto. The Notes shall be fully registered as to both principal and interest and shall be fully negotiable upon proper endorsement by the registered owner thereof. No transfer of any Notes shall be valid unless such transfer is noted upon the Registration Books and until such Note is surrendered, cancelled, and exchanged for a new Note which shall be issued to the transferee, subject to all the conditions contained herein.

(b) The Municipality may from time to time at its discretion remove the Note Registrar and appoint a successor Note Registrar to whom all records, documents, and instruments relating to its duties as Note Registrar shall be delivered. Any successor Note Registrar shall be appointed by resolution of the Municipality, and shall be a trust company or bank having the powers of a trust company, having, at the time of such appointment, a combined capital, surplus, and undivided profits aggregating at least Ten Million Dollars (\$10,000,000), and be willing and able to accept the office of Note Registrar on reasonable and customary terms, and authorized by law to perform all duties imposed upon it by this Resolution.

(c) In the event that any amount payable on any Note as interest shall at any time exceed the rate of interest lawfully chargeable thereon under applicable law, then any such excess shall, to the extent of such excess, be applied against the principal of such Note as a prepayment thereof without penalty, and such excess shall not be considered to be interest. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each.

Section 7. Transfer of Notes. Each Note shall be transferable only on the registration books maintained by the Note Registrar at the principal office of the Note Registrar, upon the surrender for cancellation thereof at the principal office of the Note Registrar, together with an assignment of such Note duly executed by the owner thereof or his, her or its attorney or legal representative, and upon payment of the charges hereinafter provided, and subject to such other limitations and conditions as may be provided therein or herein. Upon the cancellation of any such Note, the Note Registrar shall, in exchange for the surrendered Note or Notes, deliver in the name of the transferee or transferees a new Note or Notes of authorized denominations, of

the same aggregate principal amount, maturity, and rate of interest as such surrendered Note or Notes, and the transferee or transferees shall take such new Note or Notes subject to all of the conditions herein contained.

Section 8. Regulations with Respect to Transfers. In all cases in which the privilege of transferring Notes is exercised, the Municipality shall execute, and the Note Registrar shall deliver, Notes in accordance with the provisions of this Resolution. For every transfer of Notes, whether temporary or definitive, the Municipality and the Note Registrar may make a charge, unless otherwise herein to the contrary expressly provided, sufficient to pay for any tax, fee, or other governmental charge required to be paid with respect to such transfer, all of which taxes, fees, and other governmental charges shall be paid to the Municipality by the person or entity requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. Neither the Municipality nor the Note Registrar shall be obligated to transfer any Note during the fifteen (15) calendar days next preceding the maturity date of the Notes or any call for redemption.

Section 9. Mutilated, Lost, Stolen, or Destroyed Notes. In the event any Note issued hereunder shall become mutilated, or be lost, stolen, or destroyed, such note shall, at the written request of the registered owner, be cancelled on the Registration Books and a new Note shall be authenticated and delivered, corresponding in all aspects but number to the mutilated, lost, stolen, or destroyed Note. Thereafter, should such mutilated, lost, stolen, or destroyed Note or Notes come into possession of the registered owner, such Notes shall be returned to the Note Registrar for destruction by the Note Registrar. If the principal on said mutilated, lost, stolen, or destroyed Note shall be due within fifteen (15) calendar days of receipt of the written request of the registered owner for authentication and delivery of a new Note, payment therefor shall be made as scheduled in lieu of issuing a new Note. In every case the registered owner shall certify in writing as to the destruction, theft, or loss of such Note, and shall provide indemnification satisfactory to the Municipality and to the Note Registrar, if required by the Municipality and the Note Registrar.

Any notice to the contrary notwithstanding, the Municipality and all of the officials, employees, and agents thereof, including the Note Registrar, may deem and treat the registered owners of the Notes as the absolute owners thereof for all purposes, including, but not limited to, payment of the principal thereof, and the interest thereon, regardless of whether such payment shall then be overdue.

Section 10. Authentication. Only such of the Notes as shall have endorsed thereon a certificate of authentication, substantially in the form set forth in Exhibit "A" hereto duly executed by the Note Registrar shall be entitled to the rights, benefits, and security of this Resolution. No Note shall be valid or obligatory for any purpose unless, and until, such certificate of authentication shall have been duly executed by the Note Registrar. Such executed certificate of authentication by the Note Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under the Resolution as of the date of authentication.

Section 11. Source of Payment and Security. The Notes, as to both principal and interest, shall be payable from funds of the Municipality legally available therefor and to the

extent necessary from ad valorem taxes to be levied on all taxable property within the corporate limits of the Municipality without limitation as to time, rate, or amount. Said Notes shall be a direct general obligation of the Municipality, for which the punctual payment of the principal of and interest on the Notes, the full faith and credit of the Municipality is irrevocably pledged.

Section 12. Levy of Taxes. For the purpose of providing for the payment of the principal of and interest on the Notes, to the extent required, there shall be levied in each year in which such Notes shall be outstanding a direct tax on all taxable property in the Municipality, fully sufficient to pay all such principal and interest falling due prior to the time of collection of the next succeeding tax levy. Said tax shall be assessed, collected, and paid at the time, and in the same manner, as the other taxes of said Municipality, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay said principal of and interest on the Notes maturing in said year. Principal or interest falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from the general fund or other available funds of the Municipality, but reimbursement therefor may be made from the taxes herein provided when the same shall have been collected. Such taxes levied and collected therefor shall be deposited in the general debt service fund of the Municipality (the "Note Fund"), which is hereby authorized to be created, and used solely for the payment of principal of and interest on the Notes as the same shall become due.

Section 13. Approval of Director of Office of State and Local Finance. Anything herein contained to the contrary notwithstanding, no Notes authorized under this Resolution shall be issued, sold, or delivered, unless and until such Notes shall first have been duly approved by the Director of the Office of State and Local Finance as provided by Section 9-21-601 et. seq., Tennessee Code Annotated, as amended. The Mayor, City Recorder, City Attorney, and Bond Counsel are hereby authorized to take or cause to be taken such steps as are necessary to obtain such approval. After the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the Municipality shall submit its annual budget to the Director of the Office of State and Local Finance for approval immediately upon the Municipality's adoption of the budget.

Section 14. Sale of Notes. The Notes herein authorized are authorized to be sold by the Mayor by the informal bid process at a price of not less than par and accrued interest.

Section 15. Disposition of Note Proceeds. The proceeds from the sale of the Notes shall be paid to the official of the Municipality designated by law as the custodian of the funds thereof to be deposited in a special fund known as the "General Purpose Capital Outlay Notes, Series 2011A Project Fund" (the "Project Fund"), which is hereby authorized to be created, to be kept separate and apart from all other funds of the Municipality. The monies in the Project Fund shall be disbursed solely to finance the Project and to pay the costs of issuance of the Notes. Monies in the Project Fund may be invested and shall be secured in the manner prescribed by applicable statutes relative to the investment and securing of public or trust funds. Any monies remaining in the Project Fund after completion of the Project shall be transferred to the Note Fund.

Section 16. Non-Arbitrage Certification. The Municipality certifies and covenants with the owners of the Notes that so long as the principal of any Note remains unpaid, monies on deposit in any fund or account in connection with the Notes, whether or not such monies were derived from the proceeds of the sale of the Notes or from any other source, will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented, or revised. The Municipality reserves the right, however, to make any investment of such monies permitted by Tennessee law and this Resolution if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation, or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Notes subject to inclusion in gross income of the owners thereof for federal income tax purposes.

The Municipality covenants that it shall comply with Section 148(f) of the Code, unless legally exempted therefrom and it represents that in the event it shall be required by Section 148(f) of the Code to pay "Rebatable Arbitrage," as defined in the regulations promulgated under the Code, to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming subject to inclusion in federal gross income of the owners of the Notes for purposes of federal income taxation.

Section 17. Designation of Notes as Qualified Tax-Exempt Obligations. The Municipality hereby designates the Notes as "qualified tax-exempt obligations" within the meaning and for the purpose of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Section 18. Reimbursement Provisions. The Municipality is in the process of causing certain capital expenditures to be made with respect to the Project, including, but not necessarily limited to, planning, design, and architectural expenses, and the Municipality desires to establish its official intent that certain of the expenditures related to the Project and certain other related expenditures be reimbursed from the proceeds of the Notes. Therefore, the Board of the Municipality finds and determines, as follows:

- (a) that it is in the best interest of the Municipality to proceed immediately with the Project, thereby incurring certain capital expenditures;
- (b) that the Municipality has certain funds available which may be used temporarily for this purpose, pending the issuance of the Notes;
- (c) that pursuant to the provisions of this Resolution, the Board anticipates that the Municipality will issue the Notes for the purpose of financing the Project;
- (d) that the Board reasonably expects to reimburse such amounts to such fund or source from which such expenditures may be made on a temporary basis as soon as proceeds from the issuance of such Notes are available; and,

(e) that this declaration of official intent is consistent with the budgetary and financial circumstances of the Municipality.

The Board of the Municipality by this Resolution hereby establishes its official intent to issue the Notes to finance the costs of the Project and other related expenditures in an amount not to exceed \$208,500. Pending the issuance of such Notes, funds necessary to finance such costs shall be advanced from such source of funds on hand and available for such purpose, and any amounts so advanced shall be reimbursed from the proceeds of the Notes.

Section 19. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owners of the Notes, and after the issuance of the Notes, no change, variation, or alteration of any kind in the provisions of this Resolution shall be made in any manner, until such time as all installments of the principal of and interest on the Notes shall have been paid in full or the consent of the registered owners of the Notes has been obtained; provided, however, that the Municipality is hereby authorized to make such amendments to this Resolution as will not impair the rights or security of the owners of the Notes

Section 20. No Action to be Taken Affecting Validity of the Notes. The Municipality hereby covenants and agrees that it will not take any action, that would in any manner affect the validity of the Notes or limit the rights and remedies of the owners from time to time of such Notes. The Municipality further covenants that it will not take any action that will cause the interest on the Notes to be subject to inclusion in gross income of the owners thereof for purposes of federal income taxation.

Section 21. Miscellaneous Acts. The Mayor, the City Recorder, and all other appropriate officials of the Municipality are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications, specifically including but not limited to, making arbitrage certifications and executing a note purchase agreement in connection with the purchase of the Notes, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution; or any of the documents herein authorized and approved; or for the authorization, issuance, and delivery of the Notes.

Section 22. Failure to Present Notes. Subject to the provisions of Section 3 hereof, in the event any Note shall not be presented for payment when the principal becomes due at maturity and in the event monies sufficient to pay such Note shall be held by the Note Registrar for the benefit of the owner thereof, all liability of the Municipality to such owner for the payment of such Note shall forthwith cease, terminate, and be completely discharged. Thereupon, the Note Registrar shall hold such monies, without liability for interest thereon, for the benefit of the owner of such Note who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Note, subject to escheat or other similar law, and any applicable statute of limitation.

Section 23. Payments Due on Saturdays, Sundays, and Holidays. Whenever the interest on or principal of any Note is due on a Saturday or Sunday or, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close,

then the payment of the interest on, or the principal of, such Note need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the date of maturity; and no interest shall accrue for the period after such date.

Section 24. No Recourse Under Resolution or on Notes. All stipulations, promises, agreements, and obligations of the Municipality contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the Municipality and not of any officer, director, or employee of the Municipality in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claim based thereon or under this Resolution against any officer, director, or employee of the Municipality or against any official or individual executing the Notes.

Section 25. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions hereof.

Section 26. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect as of the date of its adoption the welfare of the Municipality requiring it.

Approved and adopted this 14th day of February, 2011.

Mayor

Mayor Brundige stated – you have heard the reading of Resolution R2011-05. Is there a motion?

Alderman Nanney made the motion to approve Resolution R2011-05: Resolution of the City of Martin, Tennessee, authorizing the issuance of interest bearing general purpose Capital Outlay Notes, Series 2011A, in an amount not to exceed \$208,500, and providing for the payment of said notes, seconded by Alderman Harrison.

Mayor Brundige explained - the \$35,000 stated in the Resolution for street improvement is slated for the widening of Ellis Street, located over by the railroad tracks. The engineers thought our costs would be approximately \$30,000 to \$32,000 so we put \$35,000 in the resolution. We are working on getting grants of \$25,000 from Rural Development and \$25,000 from TDOT and we are estimating it will take the two grants and the extra \$35,000 to make the improvements.

Alderman Belote asked - Chief Moore, will you give us an account of the purchase of police vehicles in the amount of \$46,000?

Chief Moore stated – approximately \$26,000 of that is for an additional patrol vehicle with all equipment. The remainder or approximately \$20,000 will be used to rotate equipment out which will include five video camera systems and approximately that many hand held radios.

Mayor Brundige asked – is there any other discussion? There was none. A roll call vote was requested and follows:

Interest on the Notes shall be payable by wire transfer, electronic means, or by check or other form of draft of the "Note Registrar," as such term is hereinafter defined, deposited by the Note Registrar in the United States mail, first class postage prepaid, in sealed envelopes, addressed to the owners of such Notes, as of the applicable Interest Payment Date, at their respective addresses as shown on the registration books of the Municipality maintained by the Note Registrar as of the close of business fifteen (15) calendar days preceding the next Interest Payment Date. The principal of all Notes shall be payable upon presentation and surrender of such Notes at the principal office of the Note Registrar. All payments of the principal of and interest on the Notes shall be made in any coin or currency of the United States of America which, on the date of payment thereof, shall be legal tender for the payment of public and private debts.

Section 4. Redemption. The Notes shall have such redemption provisions as may be determined at the time of the sale of the Notes by the Mayor and the purchaser of the Notes; provided, however, that no redemption premium shall be great than 1%.

Section 5. Execution. The Notes shall be executed in the name of the Municipality; shall bear the manual signature of the Mayor; shall be countersigned by the City Recorder of the Municipality (the "City Recorder") with his or her manual signature; and, shall have printed or impressed thereon the official seal of the Municipality. In the event any officer whose signature appears on the Notes shall cease to be such officer, such signature shall nevertheless be valid and sufficient for all purposes. The Notes shall be issued in typed, printed, or photocopied form, or any combination thereof, substantially in the form attached hereto as Exhibit "A", with such minor changes therein or such variations thereof as the Mayor may deem necessary or desirable, the blanks to be appropriately completed by the Mayor prior to the issuance of the Notes.

Section 6. Registration, Negotiability, and Payment. (a) The City Recorder of the Municipality is hereby appointed the note registrar and paying agent (the "Note Registrar"), and as such shall establish and maintain suitable books (the "Registration Books") for recording the registration, conversion, and payment of the Notes, and shall also perform such other duties as may be required in connection with any of the foregoing. The Note Registrar is hereby authorized to authenticate and deliver the Notes to the original purchaser thereof, or as he or she may designate, upon receipt by the Municipality of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Notes to be transferred in proper form with proper documentation as herein described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of the Note Registrar on the certificate set forth in Exhibit "A" hereto. The Notes shall be fully registered as to both principal and interest and shall be fully negotiable upon proper endorsement by the registered owner thereof. No transfer of any Notes shall be valid unless such transfer is noted upon the Registration Books and until such Note is surrendered, cancelled, and exchanged for a new Note which shall be issued to the transferee, subject to all the conditions contained herein.

(b) The Municipality may from time to time at its discretion remove the Note Registrar and appoint a successor Note Registrar to whom all records, documents, and instruments relating to its duties as Note Registrar shall be delivered. Any successor Note Registrar shall be appointed by resolution of the Municipality, and shall be a trust company or

bank having the powers of a trust company, having, at the time of such appointment, a combined capital, surplus, and undivided profits aggregating at least Ten Million Dollars (\$10,000,000), and be willing and able to accept the office of Note Registrar on reasonable and customary terms, and authorized by law to perform all duties imposed upon it by this Resolution.

(c) In the event that any amount payable on any Note as interest shall at any time exceed the rate of interest lawfully chargeable thereon under applicable law, then any such excess shall, to the extent of such excess, be applied against the principal of such Note as a prepayment thereof without penalty, and such excess shall not be considered to be interest. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each.

Section 7. Transfer of Notes. Each Note shall be transferable only on the registration books maintained by the Note Registrar at the principal office of the Note Registrar, upon the surrender for cancellation thereof at the principal office of the Note Registrar, together with an assignment of such Note duly executed by the owner thereof or his, her or its attorney or legal representative, and upon payment of the charges hereinafter provided, and subject to such other limitations and conditions as may be provided therein or herein. Upon the cancellation of any such Note, the Note Registrar shall, in exchange for the surrendered Note or Notes, deliver in the name of the transferee or transferees a new Note or Notes of authorized denominations, of the same aggregate principal amount, maturity, and rate of interest as such surrendered Note or Notes, and the transferee or transferees shall take such new Note or Notes subject to all of the conditions herein contained.

Section 8. Regulations with Respect to Transfers. In all cases in which the privilege of transferring Notes is exercised, the Municipality shall execute, and the Note Registrar shall deliver, Notes in accordance with the provisions of this Resolution. For every transfer of Notes, whether temporary or definitive, the Municipality and the Note Registrar may make a charge, unless otherwise herein to the contrary expressly provided, sufficient to pay for any tax, fee, or other governmental charge required to be paid with respect to such transfer, all of which taxes, fees, and other governmental charges shall be paid to the Municipality by the person or entity requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. Neither the Municipality nor the Note Registrar shall be obligated to transfer any Note during the fifteen (15) calendar days next preceding the maturity date of the Notes or any call for redemption.

Section 9. Mutilated, Lost, Stolen, or Destroyed Notes. In the event any Note issued hereunder shall become mutilated, or be lost, stolen, or destroyed, such note shall, at the written request of the registered owner, be cancelled on the Registration Books and a new Note shall be authenticated and delivered, corresponding in all aspects but number to the mutilated, lost, stolen, or destroyed Note. Thereafter, should such mutilated, lost, stolen, or destroyed Note or Notes come into possession of the registered owner, such Notes shall be returned to the Note Registrar for destruction by the Note Registrar. If the principal on said mutilated, lost, stolen, or destroyed Note shall be due within fifteen (15) calendar days of receipt of the written request of the registered owner for authentication and delivery of a new Note, payment therefor shall be made as scheduled in lieu of issuing a new Note. In every case the registered owner shall certify in writing as to the destruction, theft, or loss of such Note, and shall provide indemnification

satisfactory to the Municipality and to the Note Registrar, if required by the Municipality and the Note Registrar.

Any notice to the contrary notwithstanding, the Municipality and all of the officials, employees, and agents thereof, including the Note Registrar, may deem and treat the registered owners of the Notes as the absolute owners thereof for all purposes, including, but not limited to, payment of the principal thereof, and the interest thereon, regardless of whether such payment shall then be overdue.

Section 10. Authentication. Only such of the Notes as shall have endorsed thereon a certificate of authentication, substantially in the form set forth in Exhibit "A" hereto duly executed by the Note Registrar shall be entitled to the rights, benefits, and security of this Resolution. No Note shall be valid or obligatory for any purpose unless, and until, such certificate of authentication shall have been duly executed by the Note Registrar. Such executed certificate of authentication by the Note Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under the Resolution as of the date of authentication.

Section 11. Source of Payment and Security. The Notes, including the principal thereof and the interest thereon, are payable primarily from and secured by a pledge of the revenues to be derived from the operation of the water, sewer, and gas systems of the Municipality, subject to the payment of reasonable and necessary costs of operating, maintaining, repairing, and insuring such water, sewer, and gas systems, and to any pledge of such revenues in favor of other obligations of the water, sewer, and gas systems of the Municipality. In the event a deficiency in such revenues, the Notes shall be payable from ad valorem taxes to be levied for such purpose on all taxable property within the corporate limits of the Municipality without limitation as to time, rate, or amount. Said Notes shall be a direct general obligation of the Municipality, for which the punctual payment of the principal of and interest on the Notes the full faith and credit of the Municipality is hereby irrevocably pledged.

Section 12. Levy of Taxes. For the purpose of providing for the payment of the principal of and interest on the Notes, to the extent required, there shall be levied in each year in which such Notes shall be outstanding a direct tax on all taxable property in the Municipality, fully sufficient to pay all such principal and interest falling due prior to the time of collection of the next succeeding tax levy. Said tax shall be assessed, collected, and paid at the time, and in the same manner, as the other taxes of said Municipality, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay said principal of and interest on the Notes maturing in said year. Principal or interest falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from the general fund or other available funds of the Municipality, but reimbursement therefor may be made from the taxes herein provided when the same shall have been collected. Such taxes levied and collected therefor shall be deposited in the general debt service fund of the Municipality (the "Note Fund"), which is hereby authorized to be created, and used solely for the payment of principal of and interest on the Notes as the same shall become due.

Section 13. Approval of Director of Office of State and Local Finance. Anything herein contained to the contrary notwithstanding, no Notes authorized under this Resolution shall be issued, sold, or delivered, unless and until such Notes shall first have been duly approved by the Director of the Office of State and Local Finance as provided by Section 9-21-601 et. seq., Tennessee Code Annotated, as amended. The Mayor, City Recorder, City Attorney, and Bond Counsel are hereby authorized to take or cause to be taken such steps as are necessary to obtain such approval. After the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the Municipality shall submit its annual budget to the Director of the Office of State and Local Finance for approval immediately upon the Municipality's adoption of the budget.

Section 14. Sale of Notes. The Notes herein authorized are authorized to be sold by the Mayor by the informal bid process at a price of not less than par and accrued interest.

Section 15. Disposition of Note Proceeds. The proceeds from the sale of the Notes shall be paid to the official of the Municipality designated by law as the custodian of the funds thereof to be deposited in a special fund known as the "Vehicle Acquisition Capital Outlay Notes, Series 2011 Project Fund" (the "Project Fund"), which is hereby authorized to be created, to be kept separate and apart from all other funds of the Municipality. The monies in the Project Fund shall be disbursed solely to finance the Project and to pay the costs of issuance of the Notes. Monies in the Project Fund may be invested and shall be secured in the manner prescribed by applicable statutes relative to the investment and securing of public or trust funds. Any monies remaining in the Project Fund after completion of the Project shall be transferred to the Note Fund.

Section 16. Non-Arbitrage Certification. The Municipality certifies and covenants with the owners of the Notes that so long as the principal of any Note remains unpaid, monies on deposit in any fund or account in connection with the Notes, whether or not such monies were derived from the proceeds of the sale of the Notes or from any other source, will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented, or revised. The Municipality reserves the right, however, to make any investment of such monies permitted by Tennessee law and this Resolution if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation, or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Notes subject to inclusion in gross income of the owners thereof for federal income tax purposes.

The Municipality covenants that it shall comply with Section 148(f) of the Code, unless legally exempted therefrom and it represents that in the event it shall be required by Section 148(f) of the Code to pay "Rebatable Arbitrage," as defined in the regulations promulgated under the Code, to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming subject to inclusion in federal gross income of the owners of the Notes for purposes of federal income taxation.

Section 17. Designation of Notes as Qualified Tax-Exempt Obligations. The Municipality hereby designates the Notes as "qualified tax-exempt obligations" within the meaning and for the purpose of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

Section 18. Reimbursement Provisions. The Municipality is in the process of causing certain capital expenditures to be made with respect to the Project, including, but not necessarily limited to, planning, design, and architectural expenses, and the Municipality desires to establish its official intent that certain of the expenditures related to the Project and certain other related expenditures be reimbursed from the proceeds of the Notes. Therefore, the Board of the Municipality finds and determines, as follows:

- (a) that it is in the best interest of the Municipality to proceed immediately with the Project, thereby incurring certain capital expenditures;
- (b) that the Municipality has certain funds available which may be used temporarily for this purpose, pending the issuance of the Notes;
- (c) that pursuant to the provisions of this Resolution, the Board anticipates that the Municipality will issue the Notes for the purpose of financing the Project;
- (d) that the Board reasonably expects to reimburse such amounts to such fund or source from which such expenditures may be made on a temporary basis as soon as proceeds from the issuance of such Notes are available; and,
- (e) that this declaration of official intent is consistent with the budgetary and financial circumstances of the Municipality.

The Board of the Municipality by this Resolution hereby establishes its official intent to issue the Notes to finance the costs of the Project and other related expenditures in an amount not to exceed \$111,000. Pending the issuance of such Notes, funds necessary to finance such costs shall be advanced from such source of funds on hand and available for such purpose, and any amounts so advanced shall be reimbursed from the proceeds of the Notes.

Section 19. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owners of the Notes, and after the issuance of the Notes, no change, variation, or alteration of any kind in the provisions of this Resolution shall be made in any manner, until such time as all installments of the principal of and interest on the Notes shall have been paid in full or the consent of the registered owners of the Notes has been obtained; provided, however, that the Municipality is hereby authorized to make such amendments to this Resolution as will not impair the rights or security of the owners of the Notes

Section 20. No Action to be Taken Affecting Validity of the Notes. The Municipality hereby covenants and agrees that it will not take any action, that would in any manner affect the validity of the Notes or limit the rights and remedies of the owners from time to time of such Notes. The Municipality further covenants that it will not take any action that will cause the

interest on the Notes to be subject to inclusion in gross income of the owners thereof for purposes of federal income taxation.

Section 21. Miscellaneous Acts. The Mayor, the City Recorder, and all other appropriate officials of the Municipality are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications, specifically including but not limited to, making arbitrage certifications and executing a note purchase agreement in connection with the purchase of the Notes, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution; or any of the documents herein authorized and approved; or for the authorization, issuance, and delivery of the Notes.

Section 22. Failure to Present Notes. Subject to the provisions of Section 3 hereof, in the event any Note shall not be presented for payment when the principal becomes due at maturity and in the event monies sufficient to pay such Note shall be held by the Note Registrar for the benefit of the owner thereof, all liability of the Municipality to such owner for the payment of such Note shall forthwith cease, terminate, and be completely discharged. Thereupon, the Note Registrar shall hold such monies, without liability for interest thereon, for the benefit of the owner of such Note who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Note, subject to escheat or other similar law, and any applicable statute of limitation.

Section 23. Payments Due on Saturdays, Sundays, and Holidays. Whenever the interest on or principal of any Note is due on a Saturday or Sunday or, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then the payment of the interest on, or the principal of, such Note need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the date of maturity; and no interest shall accrue for the period after such date.

Section 24. No Recourse Under Resolution or on Notes. All stipulations, promises, agreements, and obligations of the Municipality contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the Municipality and not of any officer, director, or employee of the Municipality in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claim based thereon or under this Resolution against any officer, director, or employee of the Municipality or against any official or individual executing the Notes.

Section 25. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions hereof.

Section 26. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect as of the date of its adoption the welfare of the Municipality requiring it.

Approved and adopted this 14th day of February, 2011.

Mayor
